

# Noah Lopes

## WEB DESIGNER

noah91nelson@gmail.com | 321-391-9133 | Orlando, FL | ebay.com/usr/westernresalecompany

---

Web designer and student entrepreneur with 5+ years designing and creating across digital and physical products. I design and build websites and landing pages, and I run my own e-commerce brand from concept through to the customer. Comfortable working directly with clients, translating their goals into clean, functional designs, and delivering on a deadline.

## EXPERIENCE

---

### Founder & Designer — Western Resale Co.

Mar 2025 - Present

*Independent E-Commerce Business*

- Founded and run an online store, grossing \$1,500+ in revenue selling customized jewelry, clothing, footwear, and original products.
- Handle the full brand end-to-end: product design, listing visuals, pricing, customer communication, and fulfillment.
- Design and maintain the storefront and product presentation to drive sales and a consistent brand look.

### Web & Landing Page Design

5+ Years

*Self-Directed Projects*

- Design and build websites and landing pages, focused on clean layout, readability, and clear calls to action.
- Apply programming and engineering coursework (AP Computer Science, Foundations of Programming, Engineering Honors) to build and troubleshoot designs.
- 5+ years of continuous self-taught practice across web, graphics, and product design.

### Youth Recreational Gymnastics Coach

Jul 2024 - Present

*Gymnastics USA*

- Coach and develop children ages 3-9 in recreational gymnastics.
- Built strong customer-service skills communicating with parents about their child's progress and resolving concerns patiently and respectfully.
- Reliable on closing responsibilities and facility upkeep.

### Host & Busser

Jul - Oct 2025

*Cracker Barrel*

- Developed discipline and work ethic in a fast-paced service environment (left to focus on school).

### Volunteer — 110+ Service Hours

Ongoing

*Knights of Columbus (Catholic Non-Profit)*

- Supported catering and events: customer service, cash handling, restocking, and setup/teardown of dining areas.
